

Red Spears Baronial Financial Policy

The Baronial Financial Committee shall be defined as the Seneschal, Exchequer, and all other paid members voting at a meeting.

Dispersal of any Baronial Funds shall be decided on by vote of the Financial Committee.

The Barony is willing to financially assist other groups funding events.

a. Any money coming into the event will first go to cover expenditures, and then to repay the money provided by the Barony; any profits after that will be divided as delineated by the fund request.

b. The Fund Request will include, but not be limited to:

i. The reason for the money requested.

ii. A budget for the project/event.

iii. A repayment plan.

iv. Proposed split of any profits. It has long been the custom (but is not required) in our Barony that Cantons holding events donate 10% of event profits to the Barony. When the Barony hosts an event on Canton land, the Barony shall make a donation of 10% of the profits to the appropriate Canton.

Allowing for non-admission charges to events will be limited to members of Royalty (King, Queen, Prince, Princess), the Baronage of Red Spears and greater event staff as chosen by the Seneschal or event steward.

To receive reimbursement for expenditures of personal funds used for Baronial business or event supplies:

c. The Financial Committee must have approved the expenditure either individually or as part of a budget.

d. All receipts must be turned in to the Chancellor of the Exchequer.
